

1/15/26, 10:30 AM CSCI 250 Course Outline

CSCI 250 Introduction to Computer Science

Fall 2025

CSCI 250 001 Introduction to Computer Science 3

Prerequisite: CSCI 202. Bring your unofficial transcript to advising if you need a prerequisite waiver.

Lectures meet twice a week; laboratory sections meet weekly in the computing laboratory, beginning in the second week of the term.

Office hours, the reading list and the assignment schedule are posted on the course website before the first lecture.
